

Bill C- 291

Calling for mandatory labelling of genetically modified food.

(_____ Name _____) is asking MP(_____ MP/Riding _____) to support bill C-291 introduced by Pierre-Luc Dusseault to make the labelling of genetically modified food mandatory

(Signature) _____

Consumers have the right to know!

When we sit down for a meal with family or friends, we have a right to know exactly what is on our plates.

“The NDP has been calling for years for a law making the labelling of GM foods mandatory. The Liberal government must allow Canadians to obtain as much information as possible on GM foods.”
- Pierre Luc Dusseault

Pierre-Luc Dusseault

MP for Sherbrooke
House of commons
Ottawa (Ontario)
K1A 0A6

(no postage required)

// I SUPPORT BILL C-291

To date, more than 65 jurisdictions including EU member countries have mandatory labelling laws. Canada lags behind other countries in this regard.

Take action!
